Share My Work drop in sessions

This year parents will have the opportunity to visit their child's class on a regular day each week so your children can show you their books and talk about their work. Classrooms will be open **every Wednesday morning from 8.30am–8.50am** for parents to drop in with their children.

Enrichment Weeks

There will be one Enrichment Week per term in 2018-19. Our second Enrichment Week is very exciting as it is focusing on design, technology and architecture. All the children in Key Stages 1 and 2 will be visiting iconic buildings in the local area or London, and pupils in Years 1-5 will take part in construction workshops. Please see the separate letters that have been sent home.
