

Our Weekly News!

8th October 2018

Dear Parents,

This week we are introducing the children to Sid and Max who are characters from the Active movement scheme that we are going to be introducing as a whole school. Active Movement encourages children to be aware of how to lead a healthy lifestyle in various ways. In Reception we will be learning how to be healthy and active and how to make good food choices.

In Maths we will be learning about positional language. We will be learning to use the vocabulary next to, behind, on top of and under. At home please can you help us by reinforcing positional language with your child.

In RE we will be writing our own prayers to God to say thank you for something.

We will be continuing our daily phonic lessons this week. This week we will be learning the sounds **g**, **o**, **c**, **k**. Your child will bring home sheets to practise. Please work with your children to practising learning these new sounds. You do not need to return these to school.

Reminders

Please ensure that your child has a change of clothes in a plastic bag to leave in school. Please make sure that everything is labelled.

We would still like donations of tissue boxes as the weather has getting colder. Thank you to those who have already donated!

Thank you again to those of you who have already contributed your **£5** donation. If you haven't done so already please can you give this to the class teacher next week. We will be starting a new healthy eating topic next week and the contributions will go towards buying fruit for our smoothies and fruit salads.

Thank you from,

The Reception Team
