Friday 23<sup>rd</sup> March

**Friday News from Mrs Maynard**

**4Z Class assembly**

Well done to 4Z for their fantastic class assembly today. The children showed just how much they had learnt about electricity in a very engaging and lively way with a quiz and some teacher interaction. They gave us important safety reminders about how to behave around electricity. All the pupils spoke clearly and confidently and their singing was fantastic! Thanks to the parents who were able to attend, and Mr Zakrzewski and Mrs Anderton for organising the assembly.

**Sculpture**

Thank you to those parents who were able to visit classrooms to see the sculpture work the children had been doing last week. It was a very valuable week with our pupils able to focus on art and the work of some well-known sculptors. The children have thoroughly enjoyed working in a creative way and finding out about sculpture as an art form.

**Writers of the Week**

These pupils have impressed their teachers with their writing this week, well done to all of you.

## Mathletics

There was one Mathletics **gold** certificate this week; well done to **Fabian Koniecki for his hard work in building up lots of points.**

## Non-Uniform Day

We are raising money for the CAFOD Give it Up Lent campaign. Tuesday 27<sup>th</sup> March is a non-uniform day in return for donations. Please send your child into school with a donation in a named envelope. The UK government matches donations so we have the chance to raise a significant amount of money for those less fortunate than ourselves. Thank you for your support.
