Would you like to access personalised professional development and support?

Then St. Ethelbert's is the school for you!

Thank you for your interest in the role of class teacher at St. Ethelbert's Catholic Primary School and Nursery. Our school is a popular, friendly and welcoming community with wonderful children whose positive approach to learning and excellent behaviour make them a real pleasure to teach.

Our most recent Ofsted inspection (January 2015) confirmed that we are a good school. Some of the many strengths noted in the report include:

- *Pupils make good progress because the school has an exciting and challenging curriculum which is well taught.*
- *The behaviour of pupils in class is very impressive. Across the school, pupils work hard to complete the tasks they are given.*
- *Pupils enjoy their work and demonstrate a real resilience when tackling difficult, new subject matter.*
- *Leaders are skilled at supporting and improving the quality of teaching... Teachers are very positive about the level and effectiveness of the support and professional development they receive.*

As a Catholic school, we strive towards providing a curriculum and learning environment that ensures every child achieves and makes the most of their talents given to them by God. We have high expectations for every child and believe strongly that the unique achievements and contribution of every child should be celebrated and valued. Our mission statement – *"Learning, achieving and growing together with Jesus"* – underpins everything we do and we are looking for teachers who are supportive of this ethos. We are looking for teachers with high expectations and a positive approach, who see and value the potential in each child. In return we will offer you the support you need to
