Dear Parents and Carers

Friday News from Mrs Maynard

1Y Assembly

1Y performed a lovely assembly all about the Great Fire of London this morning. They used their art work and drama to show us how the fire started, what caused it to spread and how it was finally put out. They reminded us that we still have the diaries of Samuel Pepys to tell us what life in London during the fire was really like. The children spoke beautifully, and acted very confidently. It was lovely to see our young pupils, some of whom are still only five, perform in front of a large audience of children and adults. Thank you to all parents and family members who attended to support the children.

Year 6

Year 6 have now finished their end of Key Stage tests and celebrated with a party on Thursday. They are now starting to prepare for their Enterprise Fair where they will be aiming to make as much profit as possible to help fund the script, music and lighting for their end of year show.

Junk Orchestra

A letter has gone home today to inform parents about our next Enrichment Week #WeAreMusicians. A junk orchestra has been booked to visit the school, which should be a unique experience for the children. By inviting groups into the school we can try and keep the costs as low as possible, while still providing exciting and stimulating educational opportunities for our pupils.

Safeguarding Reminder

The Girls' Day School Trust has created a series of videos called 'Live my Digital' for young people and their parents to help them understand and use social media responsibly and safely. The topics are aimed at older primary and secondary pupils, but parents of all pupils may find them interesting and useful to understand the issues around the use of social media. The link is www.gdst.net/livemydigital

Reminder for next week

There will be a 'Fun Menu' school dinner on Thursday 18th May. School dinners will be provided free of charge to all KS1 pupils.

God Bless

St Ethelbert, pray for us
