Dear Parents and Carers

Friday News from Mrs Maynard

Year 2 Windsor Castle

Year 2 enjoyed a fantastic day out at Windsor Castle on Monday as part of their topic on castles. They looked at different parts of the building, found out all about the history of Windsor Castle and saw the guards. The children were very enthusiastic about their learning and going to a real castle helped them all understand aspects of their topic.

Year 4 Black Park

Year 4 made the most of the good weather at Black Park on Wednesday where they enjoyed a range of outdoor activities. The children made dens in the woods and skimmed stones over the lake. They managed to tick off a number of the National Trust '50 things to do before you're 11' list. The opportunity to get outside to learn is always popular with children, and working in teams to solve problems or create something is an important skill.

St Ethelbert's Catholic Primary School and Nursery has a commitment to safeguarding, and the welfare and wellbeing of children.

Safeguarding Reminder

We have all been shocked and saddened at the terrorist attack in Manchester this week at an event attended by so many young children. Newsround had a useful link for children who are upset or worried about what has happened www.bbc.co.uk/newsround . As a school we review our risk assessments for trips regularly and follow local authority safeguarding advice on how best to keep our pupils safe.

We are keeping the families who have been affected in Manchester in our prayers

I would like to wish all our families a safe and peaceful half term. It is a great opportunity to look at the National Trust '50 things to do' list and make some time for outdoor fun in the good weather. We look forward to hearing about the fun things you have been doing when school opens again.

******Reminder: School is closed on Monday 5th June for staff training. We open at the usual time on Tuesday 6th June******

God Bless

St Ethelbert, pray for us
